Hi, during my conversation, I specified that we were interested in all the supporting lab QA/QC information, and he understood that.

In addition to the data, we need the QA/QC.

FYI, I spoke to Kevin Cunningham, Cabot's VP and General Counsel.

He expressed willingness to provide Cabot's data to us, and said he would do so by next week. He advised that he is on vacation and his company is mostly 'shut down' this holiday week, but he expects no problems with his management wanting to 'work with us.' He also said he would be involving Cabot's outside, Ken Komoroski, and would have him call me next week.

I told him that we also will be sending an information request letter to them.

Any questions, please let me know.
